

CAMP ANDREW ATTENDANCE CONTRACT

Camp Andrew offers you an exceptional opportunity to either be introduced to Jesus Christ as Lord and Savior, or to grow closer to Him in your personal relationship. It is a week without the influence of an unsaved world.

Attendance at Camp Andrew is a privilege, and all those in attendance are expected to conduct themselves as Christians at all times. Campers and Staff are expected to sign this attendance contract, acknowledging the following:

1. I am responsible for my behavior at all times, and that behavior, will be consistent with Christian morals.
2. I understand that attending Camp Andrew is a privilege and any behavior contrary to Christian morals can result in my dismissal from Camp. As a parent or guardian, I understand that I am responsible for transportation in the event my child is dismissed from Camp.
3. I understand that I am expected to attend all of the activities provided during Camp. I will be where I'm supposed to be, when I supposed to be there. Staff members, not preparing for their class or activity, are expected to attend all activities, unless otherwise excused by the camp directors.
4. I will not enter the cabin/restroom of the opposite sex, without the expressed permission and attendance of a counselor.
5. I will honor my neighbors' privacy and property at all times. I will not "borrow" anything that isn't mine without the permission of the owner.
6. As a Staff member, I understand that Camp Andrew is about Jesus Christ & the Campers and not about me. I will conduct myself as a mature, responsible, Christian adult at all times.
7. Keep hands, feet, head, and other body parts to yourself unless part of an activity led by camp staff.
8. I will respect all of God's creations, this includes the camp grounds and its facilities. It is expected that we will leave the camp and facilities as least as clean as when we checked in.
9. All prescription and non-prescription drugs will be turned in and distributed by the camp nurses. Rescue drugs (i.e. EPI pens, inhalers) that are to be carried by the camper will be returned. It will be the responsibility of the camper to keep these drugs near by.
10. I will follow the procedures and seek out the nurses as directed to receive my medications.
11. If I feel ill, or injure myself, I will inform a camp nurse and follow her instructions.

Camp Andrew leadership (directors, counselors, pastors) will review all violations and determine the appropriate action to be taken. By signing below, campers and their parents/guardians acknowledge and agree to the following:

- To abide by these rules
- If a decision is made to remove the camper from the camp program, the parents/guardians agree to pick up the camper within a reasonable period of time
- The decision of the directors and camp leadership are final.
